### Mrs. Simms Honored with Quick Succession of 2 Baby Showers

By VERA WRIGHT FR 2-2285

Jane and Chuck Crawford have leased a house in Balboa to sun and swim with their children this summer and young Deborah, Denise and Diana are busily packing their suitcases, eagerly awaiting next week end when they leave for their summer home. Neighbors Madeleine and John Collins with little Judy will accompany the Crawfords and spend two weeks.

Charles T. Hynes, 18321 Roslin Ave., should be shining up a spot to put his bowling trophy on. He continues to be in the lead in his bowling league.

Mrs. Preston Simms was guest of honor at two baby showers given for her by her

friends. She was supposedly dropping in at the home of Mrs. Albert Fisher for a cup of coffee as she has been doing for the past two years. She no sooner walked in the door than she was greeted by 15 of her neighbors. That same afternoon her husband and parents decided to take her for a ride out to Santa Ana and they dropped in on friends, Mr. and Mrs. Gerald Goetsch, who led them out to their patio where 32 friends and relatives were waiting to surprise her with another baby shower. Now she is the happy and proud possessor of 14 blankets, two quilts, 20 receiving blankets, 24 bottles and nipples, 10 bibs, nine sweaters and booties sets, 11 dozen diapers, a diaper bag, a bassinet, a bathrobe, a crib, a stroller and a baby buggy, two dozen rattles, three bottle warmers, undershirts, gowns and nightgowns galore.

Mr. and Mrs. Frederick Hinds, of Chicago, Ill., are the houseguests of Mr. and Mrs. Roger Edwards who have been entertaining the Hinds with a motor trip to Santa Barbara, the week end at Catalina and

### Piano Students Present Recital

Lilas Stefan, noted pianist and teacher, presented a large group of pupils in a recital recently at her studio in Hollywood Riviera. Approximately 60 parents and friends heard the program which included Bach, Beethoven, Sibelius, and other classical, romantic, and contemporary composers.

Pupils featured included Rhonda Beckman, Candace Fleener, Virginia Ruffner, Tamara Houston, Roberta Hole, Keith Stefan, Daniel Roberts, Jeff Fleener, Vance Stefan, David Gangsel, Paul Gangsel, Willard Davis, Marian Hall, Jerry Bottomley, Sue Beck, Karen Berning, Konrad Beck, Linda Haar, Diana Lincoln, Linda Rees, Carole Smithson, and Sandra Ford.

Sue and Konrad Beck played a number of four-hand pieces, and Marian Hall played a novelty number with piano. A piano quartet composed of Willard Davis, Paul and David Gangsel, and Daniel Roberts was well received.

In addition to her teaching, Lilas Stefan is often heard in concert. She is a member of the International Pianists' Guild and vice president of the South Bay Branch of Music Teachers Assn. of California.
